

Ellipso Trimless

LED 6w 600 Lumens

Recessed trimless directional wall and ceiling fitting with medium width beam LED lamp. Very good colour rendering. Part L efficiency compliant.

The lamp is set deep inside so that only the white elliptical opening is seen. A matt black interior is available to special order.

Installed in plasterboard with 3mm skim coat of plaster to finish.

14.8830.57 White
